June 28th, 2022

Dear Friend of Child Nutrition,

You are cordially invited to participate in a first-class fundraising opportunity to help combat child hunger and support the school meal program. On October 6th, 2022, we are hosting our 37th annual fundraiser for the Southern California School Nutrition Association (SCSNA) at the brand new Top Golf located in Ontario, CA.

The SCSNA is a non-profit organization comprised of Food Service Directors, Food Service Support Staff and Industry Partners. Through meal design, education and collaboration, we work to provide affordable, creative and nutritious meals to school children. "A hungry child can't learn!"

To help support this cause, we are seeking donations from Sponsoring Partners like *Yourself*. This is an opportunity to support the SCSNA in our mission to "Educate and Empower members to provide healthy meals and to foster an environment where children achieve overall wellness and lifelong success." Proceeds from the sale of your donated items will be used for SCSNA chapter grants for members to attend professional events and to help send delegates to the Annual Legislative Action Conference in Washington, D. C. Please be aware that since we are a non-profit organization, your donation is tax deductible.

As a Sponsoring Partner, we will work with you to promote your business and share your services and/or products to all members of the Southern California School Nutrition Association. We'll feature your contribution in all promotional materials leading up to and including the night of the event.

We are asking that you take a chance and support our event by contributing any gift or in-kind donation. **ALL DONATIONS** great or small are recognized and appreciated. We will make that donation stretch and are grateful for your support.

Southern California School Nutrition Association is a non-profit (501)c organization and our tax ID number is 95-2626680.

Thank you in advance for your consideration. With Gratitude,

Rich Wood
